

# YOUR JOURNEY

Each visit will take approximately **3-4 hours**.

## QUESTIONS TO ASK MY DOCTOR

- What symptoms should I look out for?
- What are my treatment options?
- What are the side effects or risks, if any?
- Is there anything I should stop or avoid doing?

## Tips to occupy your wait time

- Bring a book or magazine to read.
- Catch up on the news or emails on your phone.
- Go through and organise your photos in your phone.
- Learn more about eye conditions that we treat using the [OneNUHS app](#) under 'Services & Useful Links', look for 'Condition/Treatment' or via [www.nuh.com.sg/eye](http://www.nuh.com.sg/eye).

## MAKE YOURSELF COMFORTABLE

- Help yourself to one of the blankets provided if you feel cold. Blankets can be found near the main waiting area.
- Hot and cold water dispensers are available in both 17A and 17C waiting areas.
- Hot snacks and drinks are available for purchase from the vending machines in 17A main waiting area.

## ESTIMATED CONSULTATION FEES
